Set on a premium lot in Paradise Hills beside the walking trail to Paradise Pointe Park, this home opens to a backyard retreat remodeled in 2022 that you will want to enjoy year-round. A sparkling pool and relaxing spa glow at night with LED lighting, and both are heated so swim season never has to end. Paver stone decking, synthetic turf, and a covered patio create the perfect setting for weekend gatherings or quiet evenings outside. Out front, a covered entry, decorative shutters, and a palm tree add curb appeal. Inside, the feel is soft and warm, with stone pattern tile, a contemporary two-tone paint scheme with accent walls, newer carpet, and ceiling fans throughout. The open living and dining room flow together nicely and look out to the pool. The family room sits just off the kitchen, making it an easy place to unwind or entertain. The kitchen has an island, granite counters with a full granite backsplash, a smart oven, a walk-in pantry, and a dining nook with a slider to the patio. The primary suite has a double door entry, a walk-in closet, and plenty of windows with mountain views. Its bath includes double sinks, a soaking tub, and a walk-in shower. A mega loft gives you flexible space for a game room, home office, fitness area, second family room, or the room of your dreams. Nestled against the foothills of Black Mountain in Henderson, Paradise Hills is a hidden gem known for its many parks, nearby trails, and top-rated schools.
